

P8000-P12000 / PD8000-PD12000 Series
Internal Combustion Pneumatic Tire Lift Trucks**Capacity:**

- 8,000-12,000 lb

Industry Applications:

- Lumber
- Brick and Block
- Stevedoring

Key Features:***Advanced Ergonomics***

- Standard full-suspension seat allows operators of varying sizes to work long shifts comfortably.
- The standard premium LED/LCD display provides a number of productivity-enhancing tools to the operator, including an operator passcode system and maintenance interval reminders help ensure that the truck is running at peak performance.
- Overhead guard styling provides additional room for operator comfort.

Powerful Technology

- Standard two speed forward and one speed reverse transmission and purePOWER[®] engine ensure performance across a wide range of applications.
- Effortless maintenance for daily inspection; no tools needed.
- LED front work lights and rear combination lights burn brighter and last longer than conventional lights.
- Fully hydrostatic power steering provides exceptionally lower steering effort than conventional steering systems.
- Ground speed control allows you to limit the travel speed without affecting performance.
- Elevated air intake draws in cleaner air, limiting contaminants.
- Extended service intervals up to 500 hours help save money, while helping to reduce downtime.

Option Packages:

- Fingertip hydraulic controls offer precise control with near effortless motion.
- Closed operator cab provides protection against the elements.
- Swivel seat and rear grab handle with horn button available for high-shuttle applications.
- Side shifter enables the operator to better position a load without repositioning the truck.
- Seat and seatbelt ignition interlock – engine will not run unless the operator is in the seat with the seat belt fastened.
- Fully enclosed oil-cooled disc brakes can improve uptime and lower maintenance costs in dusty or dirty applications.
- Light and strobe packages.

Customer Service:

- 2 year/unlimited hours comprehensive coverage
- 3 year/6,000 hours powertrain warranty
- Optional extended warranties:
 - 3 Year/6,000 hours
 - 4 Year/8,000 hours
 - 5 Years/10,000 hours
- First Planned Maintenance (PM) free*
- Parts Fast or Parts Free Guarantee* ensures next-business-day delivery of parts for all forklift brands or they're free.
